

**I find adventure in some pretty dangerous situations  
But you can find adventure in lots of places  
In interesting conversation with friends  
Traveling without the bad guys  
Hiking without monsters  
Trying exotic foods  
In a day dream  
In a museum  
In a book  
At the zoo  
You are never  
Too old or  
Too young  
So have  
a safe  
adventure  
every day!**
