

**Never  
Waste  
Time!  
Get  
The  
Right  
Tools  
For  
The  
Job!**

**On my way to a birthday party and look who or what shows up! Oh well, with the right tools I don't worry about the size of a problem. Stone ax is out of the question. It would take forever to chip away at this bad boy with a hammer and chisel. But a stick of dynamite up his nose and voila – enough gravel to do my driveway. Insta-mediately!**

*And On To The Party!*
